Join us for The Summit in Neurology & Psychiatry, a two-day continuing medical education conference, being held June 26-27, 2015, in Washington, DC.

The Summit in Neurology & Psychiatry provides an integrated neuropsychiatric approach for primary care physicians, neurologists and psychiatrists. Nationally known leaders in the field will present recent advances and emerging trends in the treatment and monitoring of patients with neurologic and psychiatric disorders and diseases. This highly scientific, two-day CME/CE conference features key clinical topics such as depression, headache and migraine, sleep disorders, multiple sclerosis, bipolar disorder, schizophrenia, stroke, epilepsy, concussion, ADHD and much more.

The Summit in Neurology & Psychiatry will be of interest to both the seasoned clinician and residents. Please join us June 26-27, 2015, at the Renaissance Washington Hotel in Washington, DC, for a rewarding educational experience. The format is informal and relaxed, and encourages a free-flowing exchange of ideas and practical solutions that are immediately useful in improving patient outcomes.

WHO SHOULD ATTEND
Physicians, residents, nurse practitioners, nurses, and physician assistants who are involved in the management and treatment of patients with neuropsychiatric disorders.

LEARNING OBJECTIVES
At the conclusion of this live activity, participants should be better able to:

• Evaluate the safety and efficacy of the various classes of agents for treating multiple sclerosis.
• Diagnose and determine appropriate treatment options for patients with Parkinson’s disease and dementia.
• Individualize treatment for bipolar disorder, monitor patients for treatment efficacy, and modify existing management plans for patients with treatment-resistant bipolar disorder.
• Identify guideline-concordant practices for the diagnosis and treatment of schizophrenia to better identify and manage patients with this disorder.
• Formulate an evidence-based management plan incorporating recommendations for managing headache, migraine and concussion.
• Identify the sleep problems that occur with depression, bipolar disorder, and other psychiatric disorders.
• Implement appropriate strategies to treat patients with treatment-resistant depression.
• Identify the symptoms of epilepsy and list the components required to make an accurate diagnosis and to distinguish it from seizures due to other causes.
• Recognize the diagnostic and treatment challenges surrounding ADHD in adults and children.
• Review the symptoms of stroke and formulate a decision plan.

CONFERENCE CO-CHAIRS

Jonathan L. Carter, MD
Associate Professor of Neurology
Mayo Clinic College of Medicine
Scottsdale, AZ

Henry A. Nasrallah, MD
Professor and Chairman
Department of Neurology and Psychiatry
Sydney W. Souers Endowed Chair
Saint Louis University School of Medicine
St Louis, MO

“The Summit in Neurology & Psychiatry: Brain, Mind, Body gives clinicians a superb update on developments in the field. Interact directly with our clinical faculty and learn about practical approaches to problems you encounter every day.”
Jonathan L. Carter, MD & Henry A. Nasrallah, MD

JOINT PROVIDER STATEMENT
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Louisville and Global Academy for Medical Education, LLC. The University of Louisville is accredited by the ACCME to provide continuing education for physicians.

DESIGNATION STATEMENT

PHYSICIANS
The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of 13.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES
This program has been approved by the Kentucky Board of Nursing for 15.60 continuing education credits through University of Louisville Hospital, provider number 4-0068-7-16-856. The Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content.

AAFP CREDIT
Credit has been applied from the American Academy of Family Physicians. Determination of Credit is Pending.

FACULTY DISCLOSURES
As a provider accredited by the ACCME, it is the policy of the University of Louisville Office of Continuing Medical Education & Professional Development to require the disclosure of anyone who is in a position to control the content of an educational activity. All relevant financial relationships with any commercial interests and/or manufacturers will be disclosed to participants at the beginning of the activity.

SPECIAL NEEDS
If you need special accommodations due to a disability, or for an alternative form of course materials, please contact us at 973-290-8225 at least 14 days prior to the program. University of Louisville Office of Continuing Medical Education & Professional Development and Global Academy for Medical Education fully comply with the legal requirements of the ADA and the rules and regulations thereof.

The opinions expressed at Global Academy’s Summit in Neurology & Psychiatry do not necessarily reflect those of Global Academy for Medical Education. Global Academy for Medical Education will not assume responsibility for damages, loss, or claims of any kind arising from or related to the information contained in presentations, including any claims related to the products, drugs, or services mentioned.

CANCELLATION POLICY

Cancellation policy: Full refund less a $50 administrative fee as follows: requests for refunds must be made in writing and postmarked, e-mailed, or faxed prior to May 11, 2015 (5635 Fishers Lane, Suite 6100, Rockville, MD 20852), e-mail - n.rillo@globalacademycme.com or fax (866-401-8609). After May 11, 2015 no refunds will be granted. After the refund date, you have two options: you can send someone in your place, or we can mark a credit in the amount you paid less a $50 administrative fee to be applied to your registration for next year’s conference. Refunds will not be issued to no-shows.

Global Academy for Medical Education is not responsible for nonrefundable, nontransferable airline tickets or hotel accommodations purchased for attendance at this course. The registration fee covers attendance to the scientific meeting, continental breakfasts, coffee breaks, lunches when provided, and exhibits.
