SATURDAY
OCTOBER 29, 2016
KINGSGATE MARRIOTT
CONFERENCE HOTEL
AT THE UNIVERSITY
OF CINCINNATI
Dear Colleague,

On behalf of the University of Cincinnati and Current Psychiatry, it is my pleasure to invite you to attend our 15th Annual Psychopharmacology Update.

At this full-day course nationally renowned faculty will cover psychiatric pharmacotherapies, including depression, schizophrenia, adult ADHD, bipolar disorder, antipsychotics, and pharmacotherapy in child and adolescent psychiatry. This well-established, one-day CME symposium offers an outstanding opportunity for education and networking with minimal disruption to your busy schedule. You will get in-depth analysis from our expert faculty and ample time to query them on topics that will help keep your practice ahead of the curve.

I hope you can come join us in Cincinnati for this informative symposium.

Sincerely,

Henry A. Nasrallah, MD

SYMPOSIUM DIRECTOR

Henry A. Nasrallah, MD

Dr. Henry A. Nasrallah is professor and chair of the Department of Psychiatry at Saint Louis University, and holds the Sydney W. Souers Endowed Chair. He is a widely recognized neuropsychiatrist, educator, and researcher. Dr. Nasrallah's research focuses on the neurobiology and psychopharmacology of schizophrenia and related psychoses. He has published 380 scientific articles, 440 abstracts, as well as 11 books. He is Editor-in-Chief of two journals (Schizophrenia Research and Current Psychiatry) and is the co-founder of the Schizophrenia International Research Society (SIRS). He has twice received the NAMI Exemplary Psychiatrist Award and was chosen as the U.S.A. Teacher of the Year by the Psychiatric Times. He has received more than 90 research grants and is listed in all editions of the book "Best Doctors in America."

Melissa P. DelBello, MD, MS

Melissa P. DelBello, MD, MS, has served as professor and chair of the Department of Psychiatry and Behavioral Neuroscience at the University of Cincinnati College of Medicine since 2014. She is a nationally recognized expert on child and adolescent mood disorders, Dr. DelBello has lectured and published extensively on bipolar disorder and served as principal or co-investigator of several NIH grants. She has been a member of the Neural Basis of Psychopathology, Addictions and Sleep Disorders Study Section of the Center for Scientific Review at the National Institutes of Health since 2009, most recently serving as chairperson for a term running from July 2012 through June 2014. Since 2012 she has chaired the Research Committee of the American Academy of Child and Adolescent Psychiatry. She is co-director of the Mood Disorders Program at Cincinnati Children’s Hospital Medical Center.

Joseph F. Goldberg, MD

Joseph F. Goldberg, MD is Clinical Professor of Psychiatry at the Icahn School of Medicine at Mount Sinai, and is Director of the Affective Disorders Research Program at Silver Hill Hospital in New Canaan, CT. He has published more than 170 peer-reviewed papers on topics related mainly to the treatment and clinical features of bipolar disorder, as well as three books on bipolar disorder and psychopharmacology. He serves on the Board of Directors for the American Society of Clinical Psychopharmacology and serves on the editorial boards for a number of peer-reviewed journals. He has been awarded research funding from NARSAD, NIMH, the Theodore and Vada Stanley Foundation, and the American Foundation for Suicide Prevention. Dr. Goldberg is a Distinguished Fellow of the American Psychiatric Association and has been listed for several years in Best Doctors in America and Castle Connolly’s “America’s Top Doctors.”

David W. Goodman, MD

David W. Goodman, MD is Assistant Professor of Psychiatry and Behavioral Sciences at the Johns Hopkins University School of Medicine. He is also Director of the Adult Attention Deficit Disorder Center of Maryland in Lutherville and Director of Suburban Psychiatric Associates, LLC. Dr. Goodman has presented more than 600 lectures to primary care physicians, psychiatrists, medical specialists, and the general public. His psychiatric commentary has been featured on national (ABC World News, CNN Anderson Cooper 360, ESPN Sports Center) and regional television around the country, PBS, and national affiliate stations, national magazines (U.S. News and World Report, Wall Street Journal, New York Times, USA Weekend Magazine, Boston Globe, BusinessWeek) and radio interviews around the country.

Roger S. McIntyre, MD, FRCPC

Dr. Roger S. McIntyre is currently a Professor of Psychiatry and Pharmacology at the University of Toronto and Head of the Mood Disorders Psychopharmacology Unit at the University Health Network, Toronto, Ontario, Canada. Dr. McIntyre is also Executive Director of the Brain and Cognition Discovery Foundation in Toronto. Dr. McIntyre was named by Thomson Reuters in 2014, as one of “The World’s Most Influential Scientific Minds.” Dr. McIntyre is involved in multiple research endeavors which primarily aim to characterize the association between mood disorders, notably cognitive function and medical comorbidity. His work broadly aims to characterize the underlying causes of cognitive impairment in individuals with mood disorders and their impact on workplace functioning.

Cancellation Policy: Full refund less a $50 administrative fee as follows: requests for refunds must be made in writing and postmarked, e-mailed, or faxed prior to September 16, 2016. After September 16, 2016, no refunds will be granted. After the refund date, you have two options: you can send someone in your place, or we can mark a credit in the amount you paid to be applied to your registration for next year’s conference. Refunds will not be issued to no-shows.
Join us for this interactive, live symposium

Psychiatric Pharmacotherapies: Controversies, Evidence, and Best Practices

SATURDAY, OCTOBER 29, 2016
CINCINNATI, OH

EARN UP TO 7.5 AMA PRA CATEGORY 1 CREDITS™

WHO SHOULD PARTICIPATE?
This activity is designed for child and general psychiatrists, adolescent psychiatrists, geriatric psychiatrists, nurse practitioners, physician assistants, nurses, psychologists, social workers, and other mental health professionals interested in treating patients with psychiatric disorders to remission with measurement-based care.

PROGRAM GLOBAL OBJECTIVES
At the conclusion of this CME symposium, those in attendance should be able to:

• Discuss the pros and cons of various pharmacotherapeutic options in depression, schizophrenia, bipolar disorders, ADHD, and child and adolescent psychiatric disorders.
• Discuss evidence-based strategies for treating youth at familial risk for developing bipolar disorder.
• Identify relative outcomes after augmentation versus switching strategies in treatment-resistant depression.
• Describe the evidence base involving the short- and long-term efficacy versus safety risks of antidepressants in patients with bipolar depression.
• Differentiate bipolar disorder from ADHD even when they co-exist.
• Discuss data relevant to the therapeutic profile of lithium versus anticonvulsants in the treatment of bipolar disorder.

TOPICS
• Antidepressants for Bipolar Depression
• Adult ADHD
• Schizophrenia
• Treatment-Resistant Depression
• Pharmacotherapy in Child & Adolescent Psychiatry
• Antipsychotics
• Bipolar Disorder

ACCREDITATION
PHYSICIAN ACCREDITATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Global Academy for Medical Education, Inc. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

PHYSICIAN CREDIT DESIGNATION
The University of Cincinnati designates this Live Activity for a maximum of 7.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

PHYSICIAN ASSISTANTS CREDIT DESIGNATION
The American Academy of Physician Assistants (AAPA) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME to grant Category 1 hours toward the PRA.

NURSE PRACTITIONERS
The American Association of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

This activity is endorsed by CURRENT PSYCHIATRY.
