- AAFP Prescribed Credits
- AAD Credits
- ACPE Contact Hours
- MOC-D

A CONTINUING MEDICAL EDUCATION CONFERENCE

REGISTER BY 12/31/17 AND SAVE UP TO $100

GLOBALACADEMYCME.COM/DERMATOLOGY
JOIN US AT SKIN DISEASE EDUCATION FOUNDATION’S 42ND ANNUAL HAWAII DERMATOLOGY SEMINAR™

We explore the latest advances in the treatment and management of common and complex diseases of the skin, both for adults and children as well as new developments in aesthetic medicine. Our exceptional faculty will present clinically relevant information that you will find immediately useful in the care of your patients. This six-day meeting provides interactive presentations, case studies in medical dermatology, live-patient injection sessions and multiple workshops. Learn from the experts about acne, rosacea, actinic keratoses, skin cancers, psoriasis, atopic dermatitis, nonsurgical facial rejuvenation, psoriatic arthritis, surgical pearls, and much more.

Skin Disease Education Foundation’s (SDEF) 42nd Annual Hawaii Dermatology Seminar’s comprehensive agenda contains cutting edge, innovative and evolving issues relevant to practicing physicians and healthcare providers who treat diseases of the skin. Our scientific program has been designed to keep the clinician up-to-date on new developments within the field of dermatology.

This year we are offering the following interactive workshops: Dermoscopy: Tools to Use and Expert Practice Management.

We look forward to seeing you on Kauai at SDEF’s 42nd Annual Hawaii Dermatology Seminar, February 4-9, 2018. Don’t miss out; register today and save up to $145 with our first early bird discount which ends October 31, 2017. Additional discounts are available until January 1, 2018. Register early and save.

This Conference Is For You:
Dermatologists, dermatology residents, family physicians, internists, nurse practitioners, registered nurses, physician assistants, pharmacists and fellows will all gain important insights into the management of patients with skin diseases.

LEARNING OBJECTIVES
At the conclusion of this live conference, participants should be better able to:

- Describe the mechanisms of action, efficacy, and safety of the biologic agents used to treat psoriasis, as well as the factors involved in appropriate patient selection.
- Assess patients for comorbidities and manage psoriasis as well as associated comorbidities.
- Compare treatment options for hidradenitis suppurativa.
- Diagnose and manage patients with vitiligo.
- Describe the pathophysiology of keloids.
- Analyze treatment approaches for the pediatric patient with common as well as complex skin diseases.
- Incorporate the recent research advances in understanding and treating pediatric dermatology issues such as atopic dermatitis and pediatric acne.
- Discuss new approaches to therapy including pathway targeted therapy in the treatment of melanoma.
- Assess the role of diagnostic tools and technology in diagnosis and detection of skin cancers.
- Recognize the factors that are important in selecting appropriate filler agents for treating different areas of the face and targeted planar depths.
- Compare and contrast the efficacy and safety of agents, devices, and techniques currently available in aesthetic and procedural dermatology.
- Determine the appropriate nonsurgical techniques for facial rejuvenation based on an enhanced understanding of facial anatomy.
- Examine energy-based technology for body contouring and discuss appropriate patient selection criteria for utilizing these devices.
- Evaluate the role of dermoscopy in clinical practice and demonstrate enhanced skill in using this technique to diagnose dermatologic disorders.
- Analyze emerging treatments for onychomycosis.

CONTINUING EDUCATION
PHYSICIANS
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Louisville and Skin Disease Education Foundation/Global Academy for Medical Education, LLC. The University of Louisville is accredited by the ACCME to provide continuing education for physicians. The University of Louisville Office of Continuing Medical Education & Professional Development designates this live activity for a maximum of 34 AMA PRA Category 1 Credits™. Physicians should review and accept for up to 34.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAD RECOGNITION
Skin Disease Education Foundation’s 42nd Hawaii Dermatology Seminar (Program #94103) is recognized by the American Academy of Dermatology for 34 AAD Recognized Credits and may be used toward the American Academy of Dermatology’s Continuing Medical Education Award.

SDEF MOC-D
The self-assessment program offered at the 42nd Hawaii Dermatology Seminar is approved by the American Board of Dermatology (ABD) for MOC-D self-assessment points.

AACP CREDIT
This live activity, Skin Disease Education Foundation’s 42nd Annual Hawaii Dermatology Seminar, with a beginning date of 02/04/2018, has been reviewed and is acceptable for up to 34.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES
Postgraduate Institute for Medicine is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This educational activity for 34 contact hours is provided by Postgraduate Institute for Medicine. Pharmacotherapy contact hours for Advance Practice Registered Nurses will be designated on your certificate.

PHARMACISTS
Postgraduate Institute for Medicine is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Postgraduate Institute for Medicine designates this continuing education activity for 34 contact hours (3.40 CEUs) of the Accreditation Council for Pharmacy Education (Universal Activity Number(s)-to be listed on the handout).

FACULTY DISCLOSURE
All relevant financial relationships with any commercial interests and/or manufacturers must be disclosed to participants at the beginning of each activity.

SPECIAL NEEDS
We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. Please contact Global Academy for Medical Education at least 3 weeks in advance at 312.965.8006 or t niloglobalacademy.com.

“In 2018, SDEF’s Annual Hawaii Dermatology Seminar celebrates 42 years of excellence in providing CME/CE to dermatologists and all the healthcare professionals who treat skin diseases. For six days you’ll have the opportunity to learn from the experts and mix with your peers. We provide medical and aesthetic sessions focusing on serious science and the latest developments. Add that to our engaging interactive discussions and you’ll know that your time with us was productive and well spent.”

Joseph F. Fowler, Jr, MD, Linda F. Stein Gold MD, and Christopher B. Zachary, MBBS, FRCP
SDEF Medical Directors
SUNDAY, FEBRUARY 4, 2018
The Future of Medical Dermatology Part I
Session Chair: Linda F. Stein Gold, MD

6:30 AM  Continental Breakfast / Visit Exhibits
7:40 AM  Introduction
Linda F. Stein Gold, MD & Christopher Zachary, MBBS, FRCP
7:45 AM  Acne: What You Need to Know
Hilary E. Baldwin, MD
8:15 AM  Onychomycosis and Other Fungi
Theodore Rosen, MD
8:45 AM  Psoriasis: IL-17 Update
Craig L. Leonardi, MD
9:15 AM  Interactive Panel Discussion
9:30 AM  Break/Visit Exhibits
10:00 AM  AAD Update & Emerging Trends in Dermatology
George J. Hruza, MD, MBA
10:30 AM  New Developments in TNF Agonists: Pediatric and Adults
Kenneth B. Gordon, MD
11:00 AM  Atopic Dermatitis: New & Emerging Therapies
Eric L. Simpson, MD, MCR
11:30 AM  Interactive Panel Discussion
12:00 PM  Break/Visit Exhibits
1:15 PM  Managing Patients with Rosacea
Linda F. Stein Gold, MD
1:45 PM  Statistics in Dermatology
Jashin J. Wu, MD
2:15 PM  Hidradenitis Suppurativa
Iltefat Hamzavi, MD
2:45 PM  Test Your Medical Knowledge: What’s Your Diagnosis?
Erik J. Stratman, MD
3:15 PM  Interactive Panel Discussion
3:45 PM  Session Concludes

MONDAY, FEBRUARY 5, 2018
The Future of Medical Dermatology Part II
Session Chair: Craig L. Leonardi, MD

6:30 AM  Continental Breakfast / Visit Exhibits
7:00-7:45 AM  Boot Camp: Botulinum Toxins and Fillers
8:00 AM  Facial Anatomy: Where to Inject Safely
Roberta Sengelmann, MD
8:25 AM  Botulinum Toxins: What You Need to Know
Brooke C. Sikora, MD
8:50 AM  Non-Traditional Uses of Botulinum Toxin
Mark G. Rubin, MD
9:10 AM  Fillers: What’s Here and What’s Ahead
Vincent Bertucci, MD, FRCPC
9:30 AM  Pearls from the Masters-Fillers & Toxins Cases: Panel Discussion and Review
Michael S. Kaminer, MD
10:00 AM  Interactive Panel Discussion
10:20 AM  Break: Visit Exhibits
10:50 AM  Advanced Techniques with Toxins and Fillers
Vincent Bertucci, MD, FRCPC
11:15 AM  Filler Workshop: Injection Session Injectors:
Suzanne L. Kilmer, MD
Mark G. Rubin, MD
Roberta Sengelmann, MD
Moderators: Michael S. Kaminer, MD
Christopher B. Zachary, MBBS, FRCP
12:45 PM  Session Concludes

TUESDAY, FEBRUARY 6, 2018
Aesthetic and Procedural Dermatology Part I
Session Chairs: Christopher B. Zachary, MBBS, FRCP, Michael S. Kaminer, MD

6:30 AM  Continental Breakfast / Visit Exhibits
7:00-7:45 AM  Boot Camp: Botulinum Toxins and Fillers
8:00 AM  Facial Anatomy: Where to Inject Safely
Roberta Sengelmann, MD
8:25 AM  Botulinum Toxins: What You Need to Know
Brooke C. Sikora, MD
8:50 AM  Non-Traditional Uses of Botulinum Toxin
Mark G. Rubin, MD

10:00 AM  Interactive Panel Discussion
10:20 AM  Break: Visit Exhibits
10:50 AM  Advanced Techniques with Toxins and Fillers
Vincent Bertucci, MD, FRCPC
11:15 AM  Filler Workshop: Injection Session Injectors:
Suzanne L. Kilmer, MD
Mark G. Rubin, MD
Roberta Sengelmann, MD
Moderators: Michael S. Kaminer, MD
Christopher B. Zachary, MBBS, FRCP
12:45 PM  Session Concludes

INDEPENDENT SATELLITE SYMPOSIA
There will be several independent satellite symposia during the six days of SDEF’s 42nd Annual Hawaii Dermatology Seminar. These symposia are independently organized and CME/CE credit may or may not be provided for these sessions. Satellites do not conflict with any educational sessions. For the satellite schedule, please see the conference website in the satellite symposia section.

General Dermatology Module

Skin Disease Education Foundation (SDEF) has been approved by the American Board of Dermatology (ABD) to produce self-assessment activities. Self-assessment activities are intended to be of value to the practicing dermatologist. SDEF is solely responsible for the content. Please be sure to report completion of any self-assessment programs on your MOC table located in your ABD profile (www.abderm.org). ABD MOC has reciprocity with ABMS specialty boards.

About the SDEF MOC Program:

- The self-assessment questions will cover primarily general medical dermatology, but will also include pediatric dermatology and aesthetic and procedural dermatology.
- ARS questions throughout the program ask audience members clinically relevant knowledge or practice-related questions, individuals answer using an ARS transponder, and the resulting spread of answers by the entire audience is provided for all participants to see. The answers are then discussed in an evidence-based fashion. Exact number of credits will be determined. Check our website for updates.

HOTEL INFORMATION

GRAND HYATT KAUA‘I
1571 Poipu Road
Koloa, Kauai, Hawaii
Tel: 808-875-1234
https://www.kauai.grand.hyatt.com
For reservations click: https://tinyurl.com/HawaiiDerm2018hotel

HOTEL RESERVATIONS
A limited block of rooms has been set aside at the Grand Hyatt Kauai at special rates:

Garden: $350.00  
Poo: $370.00  
Partial Ocean: $395.00  
Deluxe Ocean: $430.00  

All rates are subject to 13.41% tax and service charge, plus $15.00 Resort Fee per night.

Cancellation Policy:

Thirty Days up to Seven Days Prior to Arrival: All cancellations received within this time period will be assessed two nights’ room rental, plus applicable taxes.

Seven Days up to Arrival Date: Any and all adjustments to a reservation within this period, which may include full or partial cancellation or no shows, will be assessed the cost of the full length of stay, plus applicable taxes. Due to strong demand, the conference and the hotel room block is likely to sell out. Please register early and book your hotel room early. There are several categories of rooms, and all may not be available at the time you book.

The deadline for making your reservation is January 1, 2018. After that date, or in the event that the room block becomes full prior to the deadline, rooms are subject to availability, and the room rates may increase. When booking, please make sure to mention Skin Disease Education Foundation to receive the discounted room rate. Please see hotel website for further details.
